LYRICS

IT'S A KIND OF MAGIC

One dream, one soul
One prize, one goal
One golden glance of what should be

One shaft of light that shows the way
No mortal man can win the day
The bell that rings inside your mind
Is challenging the doors of time

The waiting seemed eternity
The day has dawned of sanity
Is this a kind of magic?
There can be only one
This dream will last a thousand years
We will live on

This flame that burns inside of me
I'm hearing secret harmonies
I ring the bell inside their minds
We're challenging the doors of time
